

United States of America
 Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA2792NM

This certificate, issued to Intermountain Design, Inc.
 2190 South 3270 West
 Salt Lake City, UT 84119

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Civil Air Regulations.

Original Product — Type Certificate Number: A20WE
Make: Boeing
Model: B747-212B

Description of Type Design Change:

Installation of upper deck sidewall stowage units in accordance with Intermountain Design Drawing List IDAR-2010-1, Revision C, dated July 15, 1987, FAA approved July 20, 1987, or later FAA approved revision.

Limitations and Conditions:

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modification will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 5, 1986

Date reissued:

Date of issuance: July 20, 1987

Date amended:

By direction of the Administrator
